2. Comment. The trains probably carried KVP recruits en route to KVP posts. Weisswasser as place of destination cannot be explained. The signal regiment in Niederlehne may have received recruits via Keenigswusterhausen. 25X1

3. Comment. Units of the KVP are believed to be stationed at both places. The tanks are believed to have been assigned to the 1st Mtz Rifle Regt of Division Schwerin 25X1
